TRANSCRIPTS

SECONDARY SCHOOL TRANSCRIPTS: Please ensure to reach out to admissions@flcc.edu to check required documentation necessary to verify secondary school completion. Applicants may wish to have their school send record issued in the original language from a school-affiliated email address not utilizing a third-party email service (such as Gmail, Yahoo or Hotmail) or have their school send records to us via postal mail to the mailing address listed on page one of this supplemental application. We advise against sending original copies of documentation through the mail, as we are not liable for it being damaged or lost in transit.

COLLEGE TRANSCRIPTS: To consider postsecondary credits from an institution outside of the United States or Canada for transfer, the applicant must place an order with a NACES-accredited course evaluation service, such as [WES](#) or [IEE](#), to send the evaluation to the Admissions Office. Further documentation may be required to determine transfer eligibility. Students with undergraduate credentials do not need to submit an official high school transcript if they are not applying to FLCC's Nursing degree program. All secondary and undergraduate (postsecondary) transcripts are required for Nursing applicants.

All documentation issued in a language other than English must be accompanied by an exactly worded and certified translation into English. If there are any further questions about transcripts, please contact admissions@flcc.edu as soon as possible.
