  - **173 (43%)** of respondents are attending college full-time

- Respondents were hired by **204** different employers

- **198 (49%)** of respondents transferred to **66** different colleges
Adult Basic Education Program

The Adult Basic Education (ABE) Program at FLCC offers a free TASC Prep Program with open enrollment throughout the year that serves to prepare individuals to successfully pass the TASC test (formerly, GED) and earn a high school equivalency diploma from NYSED. Participants in this program work closely with career advisors at FLCC for help with employment and continuing education. ABE also offers free ESL courses throughout the region.

"After completing the TASC Prep Program, I enrolled at FLCC. I felt that I adjusted well to the college because I was already familiar with the campus and everyone made me feel safe and welcomed. My advice to anyone considering attending the TASC Prep Program or FLCC is to be aware that you are going to struggle, but if you put in the time and energy you can make it. Also, ask a lot of questions! People at FLCC are willing to help." – Jamie Joslyn, (Phi Theta Kappa member, current student in Human Services, A.S. program, anticipated graduation 2018).

2017 Program Outcomes

- 83 graduates from the TASC Prep Program
- 98% pass rate (compared to 51% NYS average)
- 72% educational gain in ESL (compared to 67% NYS average)

FLCC has three new certificate programs: Food and Beverage Management, Hotel and Resort Management, and Tourism Management. To learn more about these certificates, please visit [https://www.flcc.edu](https://www.flcc.edu).

"This program [EMT Certificate Program] is heavy on the clinical/lab side with a lot of skill and scenario practice which really prepared me to do the job. Ride along experience helped to reinforce the material and led to my employment after graduation." – Wesley Youngman, Certified EMT-Paramedic at Canandaigua Emergency Squad.
### Career Program Highlights
- 80% of respondents are employed
- 35% of respondents are continuing their education

### Transfer Program Highlights
- 69% of respondents are employed
- 61% of respondents are continuing their education

Professional Development and Continuing Education

PDCE offers an array of professional development and continuing education programs that not only aim to enrich the lives of those in the Finger Lakes region but provide avenues to sustainable employment that help individuals to advance in their careers. In their efforts, PDCE partners with local businesses to help meet training needs in the areas of Healthcare and Advanced Manufacturing. Additionally, PDCE provides custom training for individuals and corporations on topics including, but not limited to, leadership, finance, management, diversity in the workforce, team building, keyboarding, Microsoft Word and Excel programs, interviewing skills, ergonomics, communication, time management, real estate and digital photography.
