

# FINGER LAKES COMMUNITY COLLEGE FIFTY-FOURTH COMMENCEMENT

**MAY 20–21, 2022**  
CANANDAIGUA, NEW YORK

**FingerLakes**  
COMMUNITY COLLEGE

## A Message to Our Graduates from **DR. ROBERT K. NYE, PRESIDENT OF FLCC**

**Welcome to the Fifty-Fourth Finger Lakes Community College Commencement.** Thank you for helping us celebrate the achievements of the Class of 2022 over two days with five ceremonies grouped by department. What started as a pandemic strategy to keep group sizes manageable last year has also become a series of more intimate events that celebrate relationships forged among classmates and their professors.

You have a shared story of struggle and emergence from the worst pandemic in 100 years. Completing a degree or certificate takes consistent hard work in the best of times, but you did it while adapting to new technologies and ways of learning. Take time today to thank those who helped you through it and congratulate one another for your perseverance.

As you start your careers or continue your studies, we thank you for choosing FLCC and wish you all the best. **Congratulations to the Class of 2022!**

### Welcome, FLCC Alumni

Today's graduates are now members of the **FLCC Alumni Association** and gain alumni benefits. We encourage you to volunteer, support a scholarship fund, and share your FLCC story. Learn more at [flcc.edu/alumni-association](https://flcc.edu/alumni-association).

*Please note: Participation in the Commencement Ceremony does not confirm that a student has earned a credential. Degrees and certificates are conferred after the students' final grades have been verified and issued by the institution. The Commencement program includes the names of students who have completed, or anticipate completing, all degree and certificate requirements between December 2021 and August 2022.*

## WHERE TO WATCH

Recordings of the 2022 FLCC Commencement Ceremonies may be viewed on Finger Lakes Television (the public access station on Spectrum Cable channel 1304) and online at [fingerlakestv.org/live](http://fingerlakestv.org/live) as follows:

- **May 28 and June 4 at 11 a.m.:** Humanities, Visual and Performing Arts, and Nursing (for graduates who processed on May 20)
- **May 30 and June 6 at 5 p.m.:** All remaining ceremonies (for graduates who processed on May 21)

## PHOTOS

A photographer from **GradImages** will take a photo of each graduate in front of the backdrop on stage. Within 7 days, graduates will receive proofs and an order form by email or postal mail. Families may take their own photos and video from the designated area to the right of graduate seating as you face the stage. *Please keep your time in the photo area brief so all families can capture this moment.*

## RECEPTION

Graduates may return to their seats after receiving their diplomas to watch the remainder of the ceremony or depart CMAC with their guests to visit the reception area on the front lawn.

## ARC'S COLLEGE EXPERIENCE

**Ontario ARC's College Experience** gives individuals with developmental disabilities an opportunity to develop skills that will prepare them for employment and help them achieve greater independence. Finger Lakes Community College and Hobart and William Smith Colleges serve as the learning environments for Ontario ARC's program. This year, we are pleased to celebrate an ARC College Experience graduate who graduates from FLCC with a certificate in Hotel and Resort Management.

**Please extend a special congratulations to Mason Fooks** – participating in the ceremony on Saturday, May 21 at noon with Business and Social Science graduates.
