2021-2022 Dependent Verification Worksheet

Federal Student Aid Programs

The U. S. Department of Education has selected your Free Application for Federal Student Aid (FAFSA) for a review process called "Verification". We are required under federal regulation to compare the information on your FAFSA with the information on this worksheet and other required documents, and your FAFSA may need to be corrected. You and a parent **must** complete and sign this worksheet, attach required documents and submit to the Financial Aid Office at Finger Lakes Community College.

You will not have financial aid dollars to pay your educational expenses until the verification paperwork has been submitted, and our review has been completed. Please provide all required documents by the date included on your verification checklist.
