Dear Student,

Thank you for completing your 2021-2022 Free Application for Federal Student Aid (FAFSA). Based on the demographic and financial information you completed it appears there has been a recent change in your marital status. To accurately calculate your financial aid eligibility our office will need additional information from you. Please provide our office with the following information:

1. Signed copy of your (and your spouse's if married) 2019 IRS Tax Return
2. 2019 W-2's (W-2 transcript) from all employers
3. Signed statement attesting to your marital status as of the day the FAFSA was completed (enclosed)

A counselor will review the data to determine if any changes need to be made to your FAFSA. If changes are necessary the counselor will make the corrections for you.

Please keep in mind that any changes made may affect any previously awarded financial aid.

If you have any questions, please feel free to contact our office.

Sincerely,

Financial Aid Office
