

Connecting to eduroam with Apple Mobile Devices

Note: If you are having problems please make sure you "FORGET" the FLCCopen network and in some cases the FLCCwifi network and start these instructions over

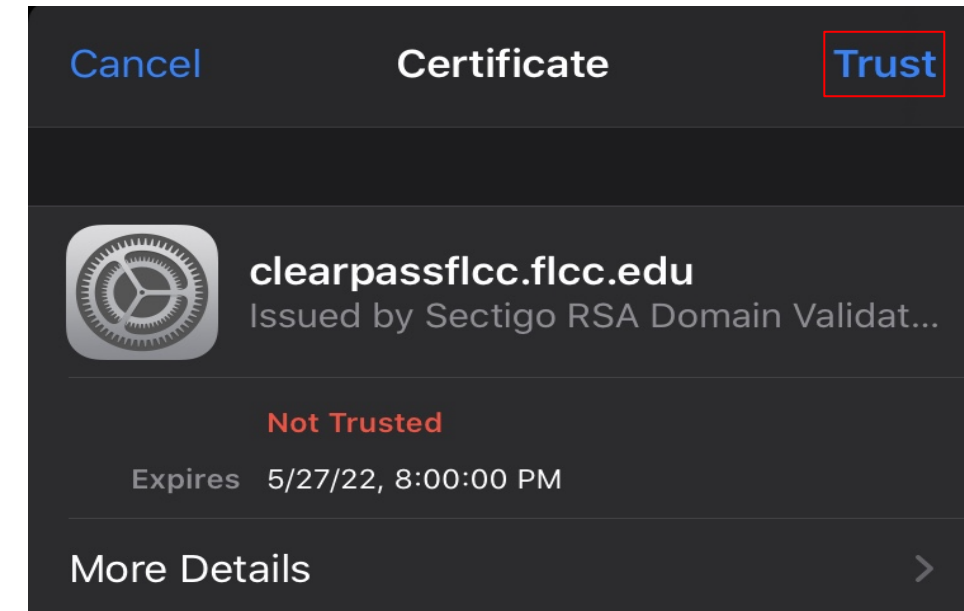

1) Select the eduroam network from the available networks list

2) Enter username@fingerlakes.edu for Students or username@flcc.edu for Faculty/Staff and your Webadvisor password
Ex) msmith@fingerlakes.edu or msmith@flcc.edu

3) Select "Trust" when presented with the certificate

4) When you see the check mark you are connected
